

Steve Turkiewicz
President/CEO, Montana Bankers Association

“DataSmart Solutions (DSS) is more than just data! To be useful we have to have rigorous analytic tools. DSS supplies those tools that help us better understand the health of our participants. And with that knowledge we can better design our health plan to meet the needs of our participants.”

Steve Turkiewicz is a long time client of DSS. He has 12 years experience overseeing the Montana Bankers Association as President & CEO. Prior to joining Montana Bankers Association, Steve was the Executive Vice President of Montana Auto Dealers Association for over 15 years. Steve earned a masters degree in public administration from San Diego State University, and a graduate degree in banking management from Pacific Coast Banking School.
